

ACKNOWLEDGEMENTS

This study would not have been possible without the generous help and assistance of the following contributors. For your expertise, your many contributions of data and information, and your genuine concern for improving the disaster resiliency of the New York City metropolitan area, we are deeply grateful.

SPONSORS

Federal Emergency Management Agency (FEMA)

Multidisciplinary Center for Earthquake Engineering Research (MCEER)

National Science Foundation (NSF)
Earthquake Engineering Research Center

New York State Emergency Management Office (NYSEMO)

New York City-Area Consortium for Earthquake Loss Mitigation (NYCEM)

New Jersey State Police Emergency Management Office (NJSP-EMO)
